A large social person capable of fierce school spirit, scholastic ability and magnificent sportsmanship, (AS. in Herndon High School, Herndon, Virginia)

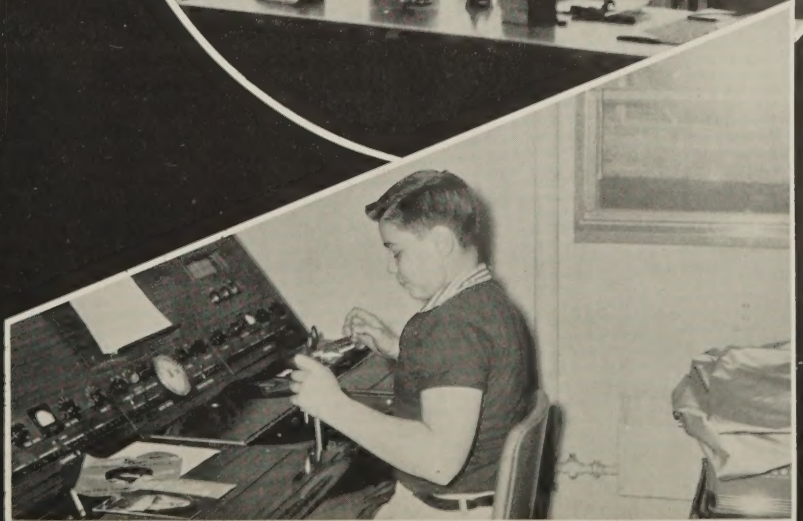

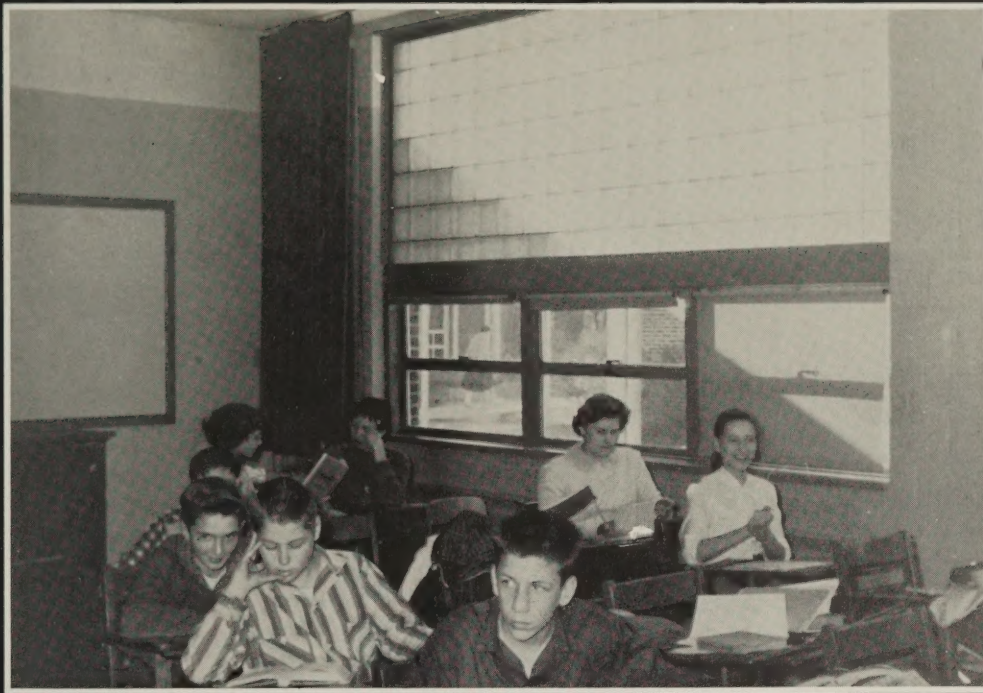

Introduction

This, the Hornet, a wee insect, is your school mascot. He will be your guide through the following pages of your 1958 Hornet, as he has been throughout the past years at H. H. S. We hope he will help you recall the memories and make this year a special one for you in years to come.

Dedication

We dedicate this 1958 Hornet to YOU the student body of Herndon High School. You are the ones who have made this book possible, because this is your year and these are your memories that you will live over as you look through these pages. Your memories will include games, dances and even all the hard work in clubs, on the Homecoming floats, and the many other things that you've added to make this year a more memorable one. Again we salute you the Student Body of H. H. S. for your loyalty, honor, service and dependability.

Foreword

As you the students of Herndon High School glance through this yearbook, we hope it will bring back pleasant memories. The staff would like you to experience once more the hesitation, yet anticipation, which comes with the thought of "back to school"; the glee of underclassmen upon discovering they do not receive their books until after the Seniors, and of course the tremor of excitement that grips the loyal fans as a touchdown or basket is made by our team; the frenzy of the Juniors and the excitement and inquisitiveness of the Seniors as Prom time grows near; and last the anticipation of graduation and the moment of realization that we are out in the world on our own. All these and many other moments we would like to keep locked in our hearts and let this yearbook be the key to that lock.

The Future Homemakers of America is one of Herndon's largest and most active clubs. Its aim is to help prepare the girls in high school to be the homemakers of tomorrow. This club is affiliated with the state and county organizations. It has planned many outside activities for this school year, some of which are: Daddy-Date Night, bowling, and Mother-Daughter Tea. Perhaps, its most useful activity was fixing a basket and collecting toys and clothing for a needy family

The objective of the Future Teachers of America is to give interested people a chance to explore the teaching profession. To help these people, many phases of teaching were discussed in the meetings; movies, too, acted as a means of instruction. In the spring, the club visited Madison College, one of Virginia's leading teaching institutions.

Homecoming day was climaxed as the class princesses in flowing green and white gowns preceded Her Majesty, the Queen, to her throne. Hornet Silhouettes and running lyrics of the Alma Mater gave the gymnasium a nostalgic atmosphere. The baskets were skillfully hidden by green and white crepe paper swirling gracefully to the floor.

One of the biggest of all events, and always to be remembered, Homecoming '58.

Our Princesses rode in an open convertible.

The queen was presented with a gold chain and football.

After the crowning, they danced . . . and we all watched.

A GLANCE AT HOMECOMING _____

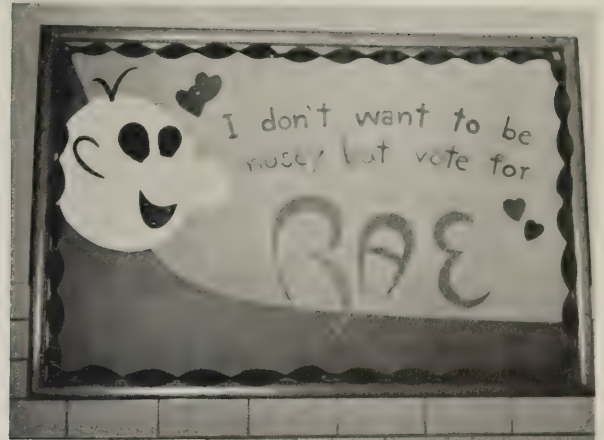

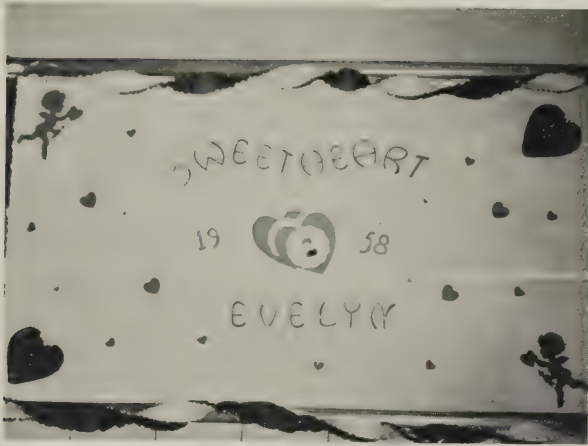

Winter Wonderland

Walking through a doorway adorned with strips of blue and white crepe paper, the first impression was of a dreamland under the stars. This atmosphere of fantasy was created by a star-sprinkled blue heaven. A medley of Christmas tunes was the climax of the evening which brought the descension of many blue balloons upon the crowd.

Sweetheart Dance

Each class proudly presented its candidate...

Optimistically we decorated despite
the rapidly falling snow.

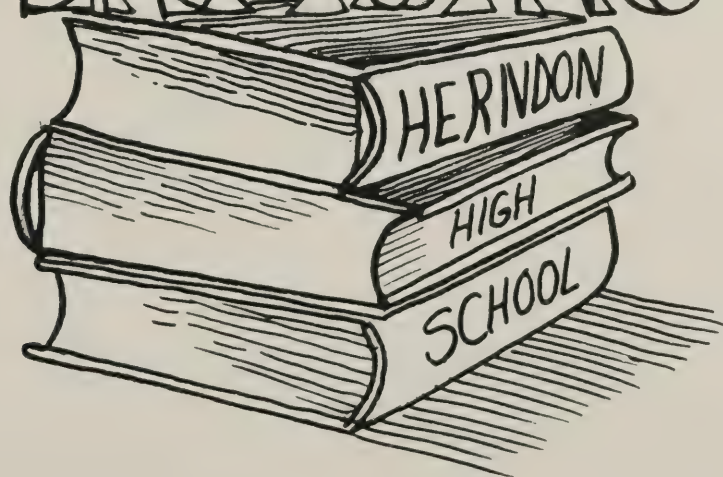

In the end Nature conquered . . . and we all stayed home.

We, the Hornet staff, hope that this book has fulfilled all the expectations of you, the student body, to whom this book is dedicated.
